The SED fighting groups of several enterprises were assembled for joint training on 24 April 1954. The training was attended by approximately 500 men. As far as could be seen, the members of the fighting groups do not yet wear uniforms, but only a red arm band. However, individual Kreis headquarters have already suggested that some sort of uniform be introduced for the fighting groups.

The mood of the members was excellent. It appeared, however, that the men did not take their military missions seriously.
